Ross,

The last call we've had with Sussman was 3/28, so no April calls. They've all been cancelled this month.

Patrick, are there notes from April calls that we did not forward (I recall some were cancelled)? Sandra asked me about "April calls" and I said I'd check. Thank you.

Ellyn - some meetings have been cancelled, so that might lead to Barry thinking he doesn't have a full set. Do you want to me to forward you any other hydrofracking materials? (briefings etc) There were some early calls that were more site specific (so might be out of date by now) that I can send as well.

Colleen
